Weatherbys uses every endeavour to ensure that the information it supplies is accurate. Nevertheless, this cannot be guaranteed, principally when dealing with foreign information which is drawn from a diversity of sources and may therefore be missing or out of date for this reason. Also it should be noted that a horse appearing in a report may not necessarily be officially registered in an internationally recognised Stud Book. Weatherbys cannot accept responsibility for any loss, damage or other liability incurred by its customers or by third parties as a direct or indirect result of information supplied.
